### Superintendent's Highlights

We are continuing the process of integrating curriculum and are on Step 4 of the Road Map of Standards Implementation.

We feel that Firth School District is very nearly compliant with the No Child Left Behind process. We have highly qualified teachers. Our paraprofessional team is meeting training and testing requirements. The majority of Title I testing scores are at or above the state standards.

The district continues to be financially sound.

Our athletic teams have consistently demonstrated and been recognized for academic excellence. We feel this is indicative of the level of student success we are achieving at Firth.

### Progress Towards Meeting District Goals

#### 2001-02 Goals

#### Progress

Build a new elementary school gym

The school district has accumulated \$50,000 to be used toward this building project.

100% of students testing at or above state standards

Standards have been implemented in all areas of curriculum and testing results have progressed according to the timeline.

Continue review and updating of District Policy Manual

The Board has reviewed and updated 2/3 of the policy manual and are on schedule to complete this project by April 2004.

Remain financially responsible

The District will continue to operate in a fiscally responsible manner by maintaining a healthy fund balance. This allows for the District to make long range plans for school improvement.
